

Errata et Corrigenda

Several errors and omissions were made in the text of the article of S.A. Kurbatov “Pselaphinae of the Russian Far East (Coleoptera: Staphylinidae) with comments about the current taxonomic status of the subfamily”, recently published in the Russian Entomological Journal [2024, Vol.33, No.3, p.283–347]. A list of these inaccuracies with the necessary corrections and insertions is given below.

P.297. Left column, 7th line from the top. It says “*validicornites*”; read “*validicornides*”.

P.306. The captions for Figures 116 and 117 are mixed up.

The caption to the left-hand figure says “Fig. 116. *Euplectus gibbipalpis* (photo K.V. Makarov). Рис. 116. *Euplectus gibbipalpis* (фото К.В. Макарова)”; read “Fig. 116. *Euplectus piceus* (photo S. Kurbatov & Yu.A. Lovtsova). Рис. 116. *Euplectus piceus* (фото С. Курбатова и Ю.А. Ловцовой).”

The caption to the right-hand figure says “Fig. 117. *Euplectus piceus* (photo S. Kurbatov & Yu.A. Lovtsova). Рис. 117. *Euplectus piceus* (фото С. Курбатова и Ю.А. Ловцовой)”; read “Fig. 117. *Euplectus gibbipalpis* (photo K.V. Makarov). Рис. 117. *Euplectus gibbipalpis* (фото К.В. Макарова)”.

P.307. Figure captions 118–129.

After the text “Figs 118–129” and “Рис. 118–129” all numbers increase by one. It says “117”, read “118”; it says “118”, read “119”; it says “119, 125”, read “120, 126”; it says “120”, read “121”; it says “121, 123, 126”, read “122, 124, 127”; it says “122, 124, 127”, read “123, 125, 128”; it says “128”, read “129”; it says “117–122”, read “118–123”; it says “123–125”, read “124–126”; it says “126–127”, read “127–128”; it says “128”, read “129”.

P.342. Paragraph “36. *Ramussia svetlanae* Kurbatov, 2022.”

Left column, 20th line from the bottom. It says “... south-eastern coast...”; read “...south-western coast...”.

P.342. Paragraph “38. *Batriscus sibiricus* Sharp, 1874.”
