Russian Journal of THERIOLOGY

Русский Териологический Журнал

Vol. 18 No. 1 June 2019

Москва Moscow

Russian Journal of Theriology is an international peer-reviewed journal published semiannually by the KMK Scientific Press Ltd. It is intended for general and special papers from all areas of mammalogy (taxonomy, phylogeny and evolution, morphology, paleontology, ecology, zoogeography, faunistics).

Russian Journal of Theriology is the flagship publication of the Russian Theriological Society.
